Health Care Foundation

January 18, 2011

Dear Business Leader:

Take in the beautiful views of the 200 acre Oak Hills Country Club as you help us celebrate the 15<sup>th</sup> Annual Invitational Golf Classic benefitting the Nix Health Care Foundation on Monday, March 21, 2011. Highlighting this year's tournament will be Roger Cleveland, Founder of Cleveland Golf and Chief of Golf Club Design for Callaway Golf. As a special bonus for our 15<sup>th</sup> anniversary, each golfer will receive a free Callaway X Series JAWS Wedge!

This exciting day on the scenic and challenging fairways of the Oak Hills Country Club begins with a golf clinic. Then enjoy some one on one playtime with a golf pro on a par 3 hole. As the sun begins to set on a day filled with camaraderie, you and a guest are invited to a post-tournament celebration that includes a reception, dinner and a silent auction.

A popular feature of this tournament is our Chairman's Cup Invitational for sponsors who contribute at the Gold level and above. This will entitle you and a guest(s) to play a unique 18 holes in a Ryder Cup format at the exclusive Briggs Ranch Golf Club, followed by a reception and dinner. This is an event you will not want to miss!

The Nix Health Care Foundation, in partnership with the Nix Health, serves as a valuable source of patient and community education, medical screenings and services. In addition to continuing its established programs, in 2010 the Nix Foundation was able to respond to emerging community needs. Highlights included:

- Initiated a new Nix Healthy Heart Series
- Coordinated our 8th annual series of free diabetes self-management workshops
- Hosted our 4th annual prostate screening that served 160 participants
- Offered a Breast Cancer Awareness presentation and screening for 70 participants
- Held monthly Senior Gold Smart Living Seminars that include a physician presentation, healthy lunch, stretch and tone sessions provided by a Nix physical therapist, free flu shots and blood pressure checks
- Coordinated nine iCHAMP workshops, a unique opportunity for shared learning between physicians and clinical staff that face the demands of caring for the aging hospitalized patient
- Presented seven Grand Rounds events, open to all Nix physicians and nursing staff
- Provided free evaluations to student athletes through the Nix Sports Medicine Center – 27 years strong!
- Operated two Resource Centers that provide reliable health information and Internet access to patients, family members and staff
